

The Diocesan Campaign for

Justice and Hope

November 21 and 22, 2020

DCJH puts into practice Catholic teaching on life and dignity of every human person and the Gospel command to care for "the least of these" (Matthew 25).

"By the end of the workshop, the women will have built up their self-worth and be able to work through obstacles. The women will have developed relationships with difference women in similar situations. They will have become a "Community."
St. Hedwig Haus

"Lives are saved at our center everyday, and the ultrasound is an important tool that God uses!"
