## Family Mass & Potluck

**Our April Family Mass and Potluck is this Sunday, April 19!**

A delicious potluck will be held in the parish center following 10:30am Mass. Niemerg's chicken will be provided. Everyone is invited!

### Water Feature News!

Have you noticed the fountain (water feature) lately!? The water and backlighting is finally nearly complete, and it looks fantastic! We are still tweaking a few minor things and will soon be finishing the landscaping around it but it looks great!

### A little story about how we got here...

when the Fayette Avenue expansion project started, one of the biggest concerns we heard

from parishioners was losing the fountain. Our original fountain had become a nostalgic 'landmark' at Sacred Heart Parish. We knew this was a special and important part of our Strengthen & Secure Campaign.

After a couple initial setbacks, our new water feature was completed late last fall—right before freezing weather arrived. In the few days we were able to have the water on before it had to be winterized, we realized some changes would be needed to improve visibility of the water. We spent the winter months brainstorming and researching. Once warm weather arrived, we were able to hit the ground running with troubleshooting options. Additional lighting was added, as well as a special tray that creates turbulence in the water, allowing it to flow more visibly.

Special thanks to the team of people who worked hard to finetune the details and make it beautiful! They spent many days and evenings on the north lawn of the church studying the water feature and the lights. ☺

The Illinois assisted suicide law is set to go into effect in September. As the law is currently written, health professionals and health systems are allowed to opt out of participating. Hospital Sisters Health System (HSHS) has decided it will not participate in the law. They stated,

*"As a Catholic healthcare system, HSHS upholds the sacredness of life from conception to natural death and is unwavering in our position not to participate in or condone any action intended to hasten or cause death."*

Thank you HSHS for valuing all life!
