### Campaign Update

Things are moving along with the exterior enhancement portion of the campaign. The brick layers were here this week and the brickwork looks great on the signs and entrances. The water feature parts have arrived and will be assembled soon. The new signs are powder coated and will also be installed soon. As previously

shared, these exterior enhancements were able to start right away thanks to having already received our settlement from the state for the Fayette Avenue expansion project.

We sincerely thank everyone who has already made a pledge. We are excited to share that our current status is \$809,010. As you are thinking and praying about how to participate in the Strengthen & Secure Campaign, please take a pledge card from the pews. In order to have a successful campaign that uplifts our parish, we ask that every member of our church prayerfully consider giving a gift to the campaign. No matter the size, every gift helps this effort.
