Hunt tens of thousands of acres for multiple big game species with your Gaucho guide. You'll enjoy 5-Star lodging with all the amenities of a home, including gourmet meals, local wine and beer, Wi-Fi, and more. You can schedule this trip for **2024**, **2025**, or **2026** Argentina hunting seasons.

### Big Game Hunting

A typical day will begin with a full breakfast, a trip into the field to hunt, a relaxing lunch back at the lodge, a siesta, and another afternoon of big-game hunting experience. The day ends with cocktails, wine, appetizers, and dinner with courses inspired by the local Argentine culture with fresh venison, chicken, beef, and vegetables and local desserts such as Crème caramel and Dulce de leche. The winning bidder is responsible for the cost of all trophy fees.

### Accommodation in San Luis

Enjoy a 4-night stay at Estancia Chischaca in two double rooms (one queen or two double beds) and an En-Suite bathroom. Savor local-inspired gourmet meals, superb Argentine wine, and local beer in the main dining area. Then, relax in the living room and share stories about your successful day of hunting.

Hunt tens of thousands of acres of prime Argentine ranchlands and farmland for up to 10 plus species of Big Game animals. The most popular time to hunt is March through the end of July when temperatures are cooler. However, since Argentina is below the equator, the seasons are opposite of those in the United States.
