

Parish Announcement – Sunday, August 9th

- 1.** Thank you to everyone who supported our Blood Drive last weekend. 19 pints of blood was collected and that has the potential to help 57 people! That is amazing.
- 2.** The Mexican Hermes last Sunday was an awesome success! We hope this can be an annual event for our parish. Thank you everyone who supported and thank you our Spanish Community to organized it for our Parish Families.
- 3.** Reminder that we are having a Pizza Party/Get to Know Father Jarek on Saturday, August 29 after our 4PM Mass in the parish center. If you want to hear a little more about Fr. Jarek, please JOIN US!
- 4.** Also, that same weekend is our annual missionary weekend. Sister Nancy from the Dominican Sisters in Adrian, Michigan will speak after Communion in all our weekend Masses. We are looking for someone who could host Sister Nancy the weekend of August 29 and 30. Please contact the parish office if you are willing to offer Sister Nancy a place to stay for that weekend.
- 5.** Did you know that our parish has a membership to an on-demand digital streaming platform called FORMED? FORMED is a network of Catholic movies, audiobooks, Bible studies, and children's programming. Some people refer to it as the "Catholic Netflix". If you go to FORMED.ORG it is super easy to make an account and start taking advantage of this membership. You will just need to provide the name of our Parish. If you need any assistance please contact the Parish Office.
- 6.** Currently our live-streaming capabilities are down. We believe that a lighting strike may have caused this. We will let everyone know once it is up and running again.
- 7.** The first day of school is this Wednesday! Please keep all of our staff in your prayers this week as we kick off the new school year. Fr. Jarek is so excited to meet the little Shamrocks over at Sacred Heart School this week! Maybe he will have to find something green to wear!
- 8.** We are in need of volunteers to lead the Chaplet of Divine Mercy on Tuesdays, Thursdays, Fridays, and Saturdays. If you will be interested to lead the prayer please contact the Parish Office.
