Experience an unforgettable hunting adventure on the South Island of New Zealand. You will be hunting for Red Stag, Himalayan Tahr, Alpine Chamois, Captain Cook wild boar, and more. Hunt thousands of acres for multiple big game species with your Kiwi guide. Enjoy comfortable lodging with all the amenities of home, including gourmet meals, local wine and beer, Wi-Fi, and more. Good for **2024**, **2025**, or **2026** New Zealand hunting seasons.

Big Game Hunting

A typical day will begin with a full breakfast, a morning trip into the field to hunt, a relaxing lunch back at the lodge, a mid-afternoon nap, and another afternoon big game hunting experience. Then, enjoy cocktails, wine, appetizers, and dinner with courses inspired by the local Kiwi culture with fresh venison, chicken, beef and vegetables, and local desserts.

Accommodation

Enjoy a 4-night stay in two rooms (double beds) with En-Suite bathrooms in a lodge created with your comfort in mind. Savor local-inspired gourmet meals and superb New Zealand wine and local beer in the main dining area. Relax in the living room and share stories about your successful day of hunting. Located in the Canterbury region of New Zealand, approximately one hour's drive from Christchurch, transportation from the airport to lodge included.

Hunt thousands of acres of prime New Zealand ranchlands and farmland for up to 12-species of Big Game animals. The most popular time to hunt Red Stag is mid-February through the end of April, while the best time to pursue Tahr and Chamois is May through July.

Since New Zealand is below the equator, the seasons are opposite of those in the United States. Therefore, your Big Game hunting experience is available from February 15 through the end of July.

Additional Information

Hunter must complete travel within three years from the date of purchase. Reservations are subject to availability. Hunting trips must be booked with an outfitter within **90 days** for **2024, 2025, or 2026** hunting seasons as dates and availability go fast.

Children as young as eight who have taken a hunter safety course can hunt with their parents. A deposit of USD\$2,000 per hunter is required to reserve hunting reservations and dates. The USD\$2,000 deposit goes 100% towards each hunter's trophy fees for animals harvested at the end of the hunt.

Hunters must spend a minimum of \$6,500 in trophy fees per New Zealand Price Sheet. Non-hunters can join the trip at the rate of USD\$1,500 per person (due in full at the time of trophy fee deposit).

Minimum Requirements

Your hunt is good for four hunters, but your group may be as small as two hunters. All hunting is done on a 1 Guide to 2 hunter basis. Single hunters are welcome but must harvest at least the minimum requirement of two hunters.

Add Extra Hunters

Do you have extra hunting buddies that want to join your group? You can add up to 2 more at no additional cost pending availability. Trophy fee deposits and minimum harvests still apply. If you have **six to 8 hunters**, you can have the lodge **exclusively** for your group.

Not included with this trip: Round trip airfare to New Zealand, accommodations before or after the hunt, trophy fees for animals harvested or wounded, dip and pack or other taxidermy services, trophy export costs, rifle permits, or non-hunters.

Important Note

New Zealand is our **most requested hunting destination**, and dates book up the quickest. Please pick your reserved dates as soon as possible to avoid potential disappointment in available dates. Thank you.
